JAFFRAY CARE

POLICY STATEMENT ON THE RECRUITMENT OF EX-OFFENDERS

As an organisation using the Disclosure and Barring Service (DBS) to assess applicants' suitability for positions of trust, Jaffray Care complies fully with the DBS Code of Practice and undertakes to treat all applicants for positions fairly. It undertakes not to discriminate unfairly against any subject of a Disclosure on the basis of a conviction or other information revealed.

Jaffray Care is committed to the fair treatment of its staff, potential staff or users of its services, regardless of race, gender, religion, sexual orientation, responsibilities for dependants, age, physical/mental disability or offending background.

We have a written policy on the recruitment of ex-offenders, which is made available to all Disclosure applicants at the outset of the recruitment process.

We actively promote equality of opportunity for all with the right mix of talent, skills and potential and welcome applications from a wide range of candidates, including those with criminal records. We select all candidates for interview based on their skills, qualifications and experience.

For those positions where a Disclosure is required, all application forms, job advertisements and recruitment briefs will contain a statement that a Disclosure will be requested in the event of the individual being offered the position.

Where a Disclosure is to form part of the recruitment process, we encourage all applicants to provide details of their criminal record at an early stage in the application process. We request that this information is sent to a designated person with Jaffray Care, and we guarantee that this information will only be seen by those who need to see it as part of the recruitment process.

Unless the nature of the position allows Jaffray Care to ask questions about your entire criminal record, we only ask about 'unspent' convictions as defined in the Rehabilitation of Offenders Act 1974.

We ensure that all those in Jaffray Care who are involved in the recruitment process have been suitably trained to identify and assess the relevance and circumstances of offences. We also ensure that they have received appropriate guidance and training in the relevant legislation relating to the employment of ex-offenders e.g. The Rehabilitation of Offenders Act 1974.

At interview, or in a separate discussion, we ensure that an open and measured discussion takes place on the subject of any offences or other matter that might be relevant to the position. Failure to reveal information that is directly relevant to the position sought could lead to withdrawal of an offer of employment.

We make every subject of a DBS Disclosure aware of the existence of the DBS Code of Practice and make a copy available on request.

We undertake to discuss any matter revealed in a Disclosure with the person seeking the position before withdrawing a conditional offer of employment.

Having a criminal record will not necessarily bar you from working with us. This will depend on the nature of the position and the circumstances and background of your offences.

Rehabilitation of Offenders Act

Because of the nature of the work of which you are applying, this post is exempt from the provision of section 4(2) of the Rehabilitation of Offenders Act 1974 (exemptions order 1975)

Applicants are therefore, not entitled to withhold information about convictions, which for other purposes are "spent" under provisions of the act, and in the event of employment, any failure to disclose such convictions could result in dismissal or disciplinary action by the Group.

Have you ever been convicted of any criminal offence (s)? Yes/No

If yes, please detail the nature of the offence (s), the dates it/they took place and the resulting sentence.
